

Suggested Readings

MKA USA is changing the book study format for monthly readings. Instead of a single book you will have a choice of a lot more books. Here is a suggested list of books that you may choose from. Each month you should be reading at least 60 pages. Every month in you may be asked to make a 1-2 minute presentation of what you read that month. You can describe something interesting from the book that may benefit everyone else. Once you finish a book, choose another one on a different topic. All these books can be found on alislam.org/books. Many of these books can also be found in Urdu at alislam.org/urdu/library/.
